Only eligible expenses will apply toward the deductible and out-of-pocket maximum. Charges for non-covered services and amounts exceeding the maximum allowable charge (MAC) will not be counted. **For PPO Plans**, no single family member will be subject to a deductible or out-of-pocket maximum greater than the “employee only” amount. Once two or more family members (depending on premium level) have met the total deductible and/or out-of-pocket maximum, it will be met by all covered family members. **For Local CDHP Plan**, the deductible and out-of-pocket maximum amount can be met by one or more persons, but must be met in full before it is considered satisfied for the family. No one family member may contribute more than \$7,900 to the in-network family out-of-pocket maximum total. See the “Out of Pocket Maximums” section in the Member Handbook for more details. **For Local CDHP Plan**, coinsurance is after deductible is met unless otherwise noted.

[1] Subject to maximum allowable charge (MAC). The MAC is the most a plan will pay for a covered service. For non-emergent care from an out-of-network provider who charges more than the MAC, you will pay the copay or coinsurance PLUS the difference between MAC and actual charge.

[2] The following behavioral health services are treated as “inpatient” for the purpose of determining member cost-sharing: residential treatment, partial hospitalization/day treatment programs and intensive outpatient therapy. In addition to services treated as “inpatient” prior authorization (PA) is required for certain outpatient services, such as psychological testing, transcranial magnetic stimulation, electro-convulsive treatment, extended outpatient treatment visits beyond 45-50 minutes in duration with or without medication management, and Applied Behavior Analysis.

[3] Applies to certain antihypertensives for coronary artery disease (CAD) and congestive heart failure (CHF); oral diabetic medications, insulin and diabetic supplies; statins; medications for asthma, COPD (emphysema and chronic bronchitis) and depression.

[4] Prior authorization (PA) required. When using out-of-network providers, benefits for medically necessary services will be reduced by half if PA is required but not obtained, subject to the maximum allowable charge. If services are not medically necessary, no benefits will be provided.

[5] For PPO Plans, the deductible DOES NOT apply. For CDHP, the deductible DOES apply as required.
