

HARDEMAN COUNTY SCHOOLS PROFESSIONAL DEVELOPMENT SUMMER 2018 – RFP SCORING RUBRIC

SCORING RUBRIC:

The proposals will be scored on a rubric that includes the following criteria:

- Extent to which the proposal is **RELEVANT TO CLASSROOM INSTRUCTION and instructional activities**. How would a participant use the information for instructional purposes?
- Extent to which the proposal **ENCOURAGES ACTIVE LEARNING**(indicate in the proposal what active learning strategies you will use to engage the audience in the session instead of having them passively listen to information; some possibilities include hands-on hardware/software demonstrations, role playing, small group discussion, facilitated brainstorming, project initiation, action plans, quick quizzes, etc.)
- Extent to which the proposal demonstrates **INNOVATIVE THINKING**, integrates and presents ideas, best practices, and/or relevant research for **POSITIONING ATTENDEES AS TRAINERS** within their school buildings.
- Extent to which the proposal demonstrates **AUDIENCE APPEAL**. Does the proposal only target a smaller audience or specific grade/school? How wide of an audience will the proposal have the potential of reaching?
- Extent to which the proposal demonstrates **IN-DEPTH PLANNING**. There will most likely be outside resources that the presenter/proposal will require. Have those resources been identified? Is the likelihood of acquiring those resources indicated or evident? Have alternate solutions been identified in situations where limited resources are available. What is the likelihood that the proposal will succeed if a key resource is not available?
