Instructions

Members who meet the eligibility rules to continue health insurance at retirement for themselves or covered eligible dependents must submit an application within one full calendar month of the date active coverage ends. If you do not submit the paperwork within this time frame the only way you can later enroll in the retirement plan would be to meet the special qualifying event criteria.

PART 1: This section should be completely filled out by the retiree and separating agency. The original hire date is with the qualifying agency. For TCRS members, the date of retirement is the effective date of your retirement with the Tennessee Consolidated Retirement System. The termination date of employment is either the last day in an active paid status or the last day of an approved leave of absence, whichever is later. This date must be confirmed by your separating agency and is certified by your agency benefit coordinator signing the employer certification section of this form.

PART 2 RETIREE INFORMATION: This section must be completed by the retiree. If you are a surviving spouse who is continuing coverage as the new head of contract on the retiree plan, please complete the application with your information as the retiree. If you are entitled to Medicare you must submit a copy of your Medicare card with this application.

PART 3 GROUP HEALTH: Eligibility requirements to continue group health coverage for retirees and their dependents are outlined in the State Plan Document. Requirements for State and Higher Education retirees can be found in Section 4.07. Local Education and Local Government retiree's eligibility requirements are outlined in Section 4.06 of the respective Plan Documents. The plan documents can be viewed at tn.gov/finance.

I further understand per the eligibility requirements as outlined in the state plan documents, State/Higher Education section 4.06 and Local Education section 4.05 that if I am a retiree who qualifies to continue group health coverage and either myself or a covered dependent becomes entitled to Medicare Part A prior to the age of 65, the retiree and/or their covered Medicare Part A eligible dependent must enroll in Part B in order to maintain group health coverage until entitled to Medicare by virtue of age. You must submit a copy of your Medicare card to Benefits Administration as documentation you have enrolled in Part A and B. If the pre 65 Medicare entitled retiree or retiree dependent does not enroll in Medicare Part B when eligible coverage under the state group health plan will be terminated.

LOCAL GOVERNMENT retirees and dependents who become entitled to Medicare Part A are NOT eligible for coverage under the retiree group health plan as referenced in section 4.05 of the Local Government plan document.

In all cases, it is the responsibility of the retiree to notify Benefits Administration within 5 working days if the retiree or a covered dependent has become eligible for Medicare prior to the age of 65.

PART 4 THE TENNESSEE PLAN: To be eligible for The Tennessee Plan, supplemental medical insurance for retirees with Medicare, your original hire date of employment with a TCRS or ORP agency must have been prior to July 1, 2015; you must be receiving a monthly TCRS or Higher Education ORP retirement benefit and the retiree and the dependent they wish to cover must be enrolled in at least Medicare Part A. You must submit a copy of your Medicare card with this application. The Tenn Plan will not pay if you are not enrolled in Medicare. If you only enroll in Medicare Part A, The Tenn Plan will pay after Medicare for Part A expenses but will not pay for Medicare Part B expenses. In addition, The Tenn Plan will not pay behind or coordinate benefits if you have enrolled in a Medicare HMO or Medicare Advantage plan. The Tenn Plan does not offer any pharmacy benefits. You must enroll in Medicare Part D or subscribe to another supplemental for pharmacy needs. If you are enrolled in TennCare you do not need Medicare supplement coverage. This enrollment form must be completed within 60 days of initial eligibility which is either the date you become eligible for Medicare, your date of retirement or the effective date of loss of creditable group health coverage; whichever is later.

If you are applying 60 days or more past your initial eligibility date, you must apply as a late applicant and enrollment will be subject to approval. If you are a late applicant, please contact Benefits Administration for The Tenn Plan late applicant information.

PART 5 DENTAL: To be eligible to apply for retiree dental you MUST receive a monthly TCRS or higher education ORP benefit. If you do not apply within one full calendar month of your active group health insurance and/or dental benefits termination the effective date of your coverage will be the first of the following month in which you apply. If you select the Prepaid dental plan please note that you MUST select a dentist who participates in the network. The Prepaid plan will not pay any benefits if you do not select and use a participating network dentist. Once your coverage has changed from active to retiree you MUST contact the carrier to confirm your continued use of your selected participating network dentist. Additional information on retiree dental and COBRA dental can be obtained from your agency benefits coordinator or viewed at tn.gov/finance.

PART 6 VISION: To be eligible to apply for vision you MUST receive a monthly TCRS or higher education ORP benefit and be enrolled in the state's group health insurance plan.

PART 7 DEPENDENT INFORMATION: This section must be completed if you are applying to cover a dependent. You must complete the Medicare eligibility information in this section and submit a copy of your dependent's Medicare card. If you have not previously submitted dependent verification documentation on a dependent you are applying to cover, please submit the applicable documentation with this application as outlined on page 2.

PART 8 RETIREE AUTHORIZATION: This section must be signed and dated by the retiree (or surviving spouse if they are the new head of contract). If the retiree has a designated power of attorney, a copy of the POA must be attached to this application.

PART 9 EMPLOYER CERTIFICATION: The designated official with the separating agency must complete and certify if the retiree is a TCRS member, a non-TCRS retiree, a higher education ORP retiree or a former legislator. The correct premium collection method should also be designated:

- RET = premiums will be collected from the TCRS pension check
- INS = Benefits Administration has agreed to bill the agency for retiree premiums
- BIL = the retiree will be billed directly at home by Benefits Administration

Type of retiree must also be completed:

- ST = State
- LE = Local Education teacher/certified staff
- LE-SS = Local Education support staff
- LG = Local Government

Active coverage term date indicates the date an active employee's insurance is terminate. Years of creditable service must be certified by agency for non-TCRS, ORP and former legislators. The agency should also review and mark on the form the applicable time frame the retiree has been continuously covered on the plan immediately preceding termination of employment. The form must be signed and dated by the designated agency official. By signing the employer certification section the agency is also certifying the correct term date of employment and date of retirement has been completed in Part 1.
